United Way of Pueblo County works to provide a hand up in times of need, and is able to do this most efficiently and effectively by providing critical funding to partner agencies/funded programs that provide the direct service.

While we are unable to provide funds directly to individuals, we provide knowledgeable referral sources to address needs in the community as best as possible.

ABOUT YOUR UNITED WAY...

WE’RE LOCAL...

- Funds stay here to address LOCAL needs. Chances are United Way has helped you or someone you know.
- Each year, over 600 dedicated volunteers work hard to raise money and address needs to make our community a better place to live, work, and play.

WE’RE EFFICIENT AND GET RESULTS...

- Volunteers help conduct the campaign to keep costs low – 89 cents of every dollar goes directly to funded programs.
- The amount of money raised and distributed is not the only measure of results. What matters most is the lives impacted and improved in Pueblo County EVERY DAY!

WE’RE CONVENIENT...

- Payroll deduction is a simple way to give. Gifts range from $1 a week to $1,000+ a year – every dollar makes a difference!

WE’RE ACCOUNTABLE...

- Local volunteers review requests, make tough funding decisions, and ensure every penny is spent wisely.
- Independent audits of UWPC and its agencies are conducted and analyzed. In fact, everything we do is governed by a local group of committed citizens with our community’s needs in mind serving on the board of directors and on committees.

WE HELP IN OUR COMMUNITY...

- Funded programs provide critical services, improving the quality of life for neighbors, friends, coworkers & families.
- The 50+ different health and human service programs that UW funds provided over 175,000 units of service to people in Pueblo County last year, touching the lives of children, families, seniors, & everyone in between!

Together We Fight. Together We Win.

We all win when we LIVE UNITED. United Way of Pueblo County needs you to join us in the fight against some of our community’s biggest challenges. With the power of your help, generosity and compassion, TOGETHER we will turn the fight into a WIN. YOU are helping us do more than raise funds. YOU are the hand-raisers – raising your hand to help those in need and leading the fight to make our community a better place for us all.

Why Your Contribution Matters

$1 a Week Over a Year Makes A Real Impact!
• 200 meals
• Provides one night of shelter for a family displaced by a fire
• One month of homework/tutoring program for a student
• Provides free income tax filing - bringing an average of $2,800 back into the community per filing

$5 a Week or $260 Over a Year
• Provides one-on-one mentoring for a middle school student at risk

Examples of your support in action at UW funded agencies:
“United Way funds programs that prepare youth to enter the workforce armed with critical employment skills, setting them on the path to a great future.”
